The funds raised will be donated to the United Memorial Medical Center, helping to support and improve the quality of healthcare for our families, friends and neighbors.

About

For nearly 30 years the UMMC Foundation hosted a charity golf tournament to support United Memorial Medical Center. The final tournament took place in 2018. Dr Nicholas Loffredo, who is a board member of the UMMC Foundation, stepped up to host the event and continue this long-standing tradition.

Dr Loffredo formed North Pole Charity, a nonprofit organization that raises funds to support the enrichment of children and the promotion of health care.

The North Pole Charity will donate the proceeds of this golf tournament to support UMMC in its mission to promote, enhance, and restore health to the people of our community and continue to offer top-quality health care to its patients.
